

**Liberty Township Board
Budget Study Session
May 18, 2010 6:00pm**

Study Session called to order by Supervisor Spink at 6:00pm, with the Pledge of Allegiance to follow. Board member roll call: Michaels, Leinbach, Spink, Hubbard and Warblow present.

Starting with General Fund we started with Fire Department. Trustee Hubbard brought fire numbers from the meeting that the Fire Committee had to recommend the 2010-2011 Fire Department budget. The amount reflected approximately \$3,000.00 more than last year's budget. After fire department we went into each department and line by line adjusted or did not adjust the amount. There were some items we had to hold on till next meeting, such as Assessor salary, Computer Hardware, Insurance.

We worked on Building Department; there were no changes in any salaries or inspection fees.

The next budget session has been set for Wednesday May 26, 2010 at 6:00pm

Motion made by Warblow, supported by Michaels to adjourn at 8:30pm.

Jim Spink, Supervisor

Sharon Warblow, Clerk
